1. ANNOUNCEMENT

Motorcycling Australia (MA) and selected affiliated motorcycle clubs and/or promoters hereafter called the Promoter will conduct the 2020 Yamaha Australian Off-Road Championship for solo Enduro motorcycles in the Championship: E1, E2, E3, EJ, Veterans, Masters, Women's, JG J2, J3 and J4 classes. The 2 Stroke Cup (up to 250cc), 65cc Cup and a Vintage Enduro will also run as support classes at selected rounds.

2. JURISDICTION

2.1. The abovementioned meetings have been authorised by MA which has issued MA Permit Numbers as displayed on page 1 of these Supplementary Regulations and is open to holders of current MA National Competition Licences and One Event Competition Licences issued by Motorcycling Australia. MNZ Licence holders who hold a start permission from MNZ and proof of Insurance to FIM Standard are also eligible to enter. If International competitors other than NZ enter, ALL international competitors (including NZ competitors) must hold an FIM licence issued by their respective FMN, in addition to a start permission to compete which certifies that they hold current insurance to FIM standard.

2.2. The meetings will be held in accordance with the General Competition Rules contained in the 2020 Manual of Motorcycle of Sport (MoMS), these Supplementary Regulations and any final instructions approved by Motorcycling Australia. By entering this meeting all parties agree to comply with these rules, regulations, by-laws, and instructions.

14.1. Top 5 from E1, E2, E3, EJ and Women class from 2019 may use their finishing position for riding numbers, if racing in the same class they finished in the top 5 of.

14.2 All other riders will be required to use their National number for the AORC in 2020. A rider must have competed in Six (6) rounds in the 2019 Championship to reserve their number in 2020 and a list can be found on AORC.org.au or apply to register their number.

14.3 Any rider that does not have a number allocated to them in the 2020 Rider Number Allocation document, or would like to change the number that is currently allocated to them, must complete and return a rider number allocation.

14.4 You may only run your state number if you are racing in the state you hold your Senior or Junior National Competition Licence, otherwise you must race with a National Number.

14.5. All number plates on all machines **MUST** comply with GCR's and must not contain any decals or advertising other than the required decal.

15. GRID POSITION

Sprint Format – Start positions for the first heat will be based on the rider's finishing position in the previous round. Start positions for the other heats will be by previous heat results or at the discretion of the Clerk of Course.

Cross Country – Mass starts as per GCR's. Grids and start order to be determined by the Clerk of Course. The Clerk of Course reserves the right to seed riders into the start order for the purpose of safety before and during the event.

16. RIDERS BRIEFING

16.1. A riders' briefing will be held prior to the commencement of racing, which **ALL** competitors and a parent/guardian, if rider is less than 18 years of age **MUST ATTEND**.

16.2. At riders' briefing there will be a random roll call, any rider not present will be fined or otherwise at the discretion of the MA Steward.

If competitors are not satisfied with the course after the parade lap or walking (depending on the format) they must contact the Clerk of Course to resolve their concern.

Sign On:

At each round all riders will be required to sign on with their current National MA competition Licence.

Junior riders: **MUST** also produce their log book for sign on.

Riders: If you are under 18 years and your parent/guardian is not coming to the event you need a guardianship form to be signed and brought to the race meeting to be handed in at sign on.

17. ANTI – DOPING POLICY

17.1. All competitors and officials are advised that drug testing may take place in accordance with MA's Anti-Doping Policy, as carried out by the Australian Sports Anti-Doping Authority. Refer to www.ma.org.au for details.

17.2. If any doubts exist over banned substances it is recommended competitors contact the Drugs in Sport Hotline on 1800 020 506. When drug testing takes place, the payment of prize money may be delayed at MA's discretion until the results of the tests are known.

18. ALCOHOL TESTING PROCEDURE

All competitors and officials are advised that random breath-testing may take place during the competition.

19. SMOKING

Smoking is strictly prohibited in areas where refuelling is permitted. Riders are liable for exclusion from an event for failing to adhere to and are responsible for the actions of their mechanics and support team members. By law in Victoria smoking is banned at all junior events.

20. CODES OF BEHAVIOUR

All competitors, officials, mechanics and parents are reminded of MA's Codes of Behaviour contained within MA's Member Protection Policy, found at www.ma.org.au which is a guide to appropriate behaviour at all Motorcycle race meetings. These Codes of behaviour apply to all meetings and will be enforced.

21. EVENT SCHEDULE

Times for each round will vary – please see Final Instructions for times on the Series website at: www.aorc.org.au

For the purposes of drug and alcohol testing, the commencement of the meeting will be deemed to be each Saturday 7.00am with the completion of the meeting for the participant being when the participant has vacated the venue.

22. CIRCUIT DESCRIPTION

The track will vary for each round. Courses will comprise of part natural grass track or similar and part of the surrounding bushland and may contain man made obstacles. Each course has been marked with their distinctive arrows & bunting. Two arrows adjacent on the course are GATE course markers ie riders **MUST ALWAYS** pass between these arrows. Any slashed area **IS** the course, riders must not leave the slashed areas. We will be maintaining the course markings throughout the event, regardless of this, any deviation from the intended course is a breach of these instructions. Riders **MUST** stay on the "intent" of the course. No Deviation will be accepted. Any competitor found to have deviated from the intent of the course and gaining an advantage will be given a time penalty of a minimum 5 minutes up to exclusion for that heat, special test and or event.

Course Assessor: This role will be filled by **Trent Lean** and works in an advisory role to the Clerk of the Course and Steward. He is the rider's representative and will assess the course to ensure it's safe and the integrity of the course is maintained for the duration of the event.

23. WALKING COURSES/TESTS

The track will be available for walking as specified in relevant round final instructions.

24. STARTS

Start for the Sprint Format and Enduro Special Tests - will be by Light Start or similar (e.g. an analogue clock with a sweep second hand).

The Start Marshal may start the time of any rider who does not start within allocated time.

The start for the Cross Country Format – competitors will be deemed to be under the order of the starter once the starter has called the class/grid to the start line.

25. RACING

Riders will be escorted on one parade lap except for Enduro's and Cross Country's. No riding other than on the course during the event is permitted.

Failure to use Environmental Mat first offence – warning

Failure to use Environmental Mat second and subsequent offences –

\$100.00 each offence Deliberate disposal of fuels or oils into the environment - \$500.00 and/or exclusion

As per the 2020 MoMS, goggle 'tear offs' are banned.

DUE to ENVIRONMENTAL concerns it is recommended for Enduro format only fuel containers do not exceed 10 litres and are fitted with a suitable pouring spout. (as per GCRs)

32. TRANSPONDER HIRE

Electronic timing will be used throughout the series; this incurs a hire fee and is included in the entry fee, if you do not own a transponder.

It is the competitor's responsibility to ensure that the transponder is mounted correctly and securely to their machine.

For security of the hire transponder, we will collect your MA licences at sign on. It will be returned at the conclusion of the meeting and upon the return of the transponder.

When hiring a transponder it becomes the hirers responsibility so any damage or loss of the unit will be paid by the hirer.

If you don't return your transponder you will be charged a late fee for the return of transponder of \$25.00.

If you don't return the transponder within four (4) days you will be charged the cost of the transponder of \$460.00.

If you own a transponder please make sure it is fully charged for each event and please put your transponder number on the entry form.

33. PIT AREA SETUP

When setting up your fuel control area, please consider others by only using the space that you need: do not block roads/bike ways and do not 'pit' in areas that are marked off with tape, spray paint and/or 'No Pitting' Signs.

If you are not sure where to set up your paddock/pit area please see a designated club official because if you 'pit' in an area that is reserved or is an allocated lane way etc, you will have to move.

Venue access times will be stated in the Final Instructions.

There will be areas reserved for factory teams, sponsors teams, and officials. These areas will be in prime positions to maximise exposure for the sponsors and teams as a part of their sponsorship package and for our officials/workers who need to be close to the track as they are volunteering their time by working throughout the weekend.

All other areas in the fuel control area will be for all other competitors and teams to 'pit' in.

All teams will be required to park in the position allocated to them by officials.

No private vehicles are permitted in the team "pit" area, only transporters, race vans, or race trailers. Please park your private, hire or support vehicles in the car park area.

34. MEDIA

Media and PR for the 2020 Championship will be provided by MA's Event Media Representative

We ask all riders to make themselves available for any interviews and photos opportunities organised.

Riders need to be on time for TV, radio and website interviews etc. Please be respectful and professional as this exposure may help in your sponsorship deals.

Riders should be dressed in team clothes and for all other riders please be neatly dressed.

Riders who finish on the podium at each round must attend the presentation and any necessary interviews or media conferences.

If the riders don't attend presentation or are deemed to be not acting in a professional manner, you could be fined and reported to your sponsor/team.

Remember that you are not only representing yourself, but your team and the sport.

35. FIRE EXTINGUISHERS

All riders should have a minimum 2kg, dry powder A:B (E) class, working fire extinguisher in their pit area

36. ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA

All competitors, officials and parents are reminded of MA's Electronic Communications and Social Media Policy, found at www.ma.org.au, which sets out a framework for acceptable online behaviour where communications involve fellow MA members, volunteers, officials, coaches, sponsors, partners, staff and any other connected persons.

SPRINT FORMAT – as per GCR's

The Sprint Format is run on the format of an Enduro Special Test. Riders complete as many heats of the course as indicated by the Clerk of Course which average between four to six heats

Times will be cumulative; the rider with the least accumulated elapsed time for each class will be the winner and so on.

Start Order – riders will be seeded by the Clerk of Course (based on past results) for the first heat.

Start Order for the remaining heats will be determined by the results from previous heats.

The Clerk of Course reserves the right to seed riders into the start order for the purposes of safety before the event.

Start for Special Tests: Start of the Special Test will be by light start or analogue clock.

The start marshal may start the time of any rider who does not start within allotted time.

To be considered a finisher a competitor must complete 2/3rds of the heats and will receive a time penalty for each uncompleted heat.

A rider who does not complete a heat will be awarded the slowest heat time in their class plus 100 seconds.

Change of machine may be permitted if submitted to the Clerk of Course for approval.

(Replacement machine must have passed scrutineering at the scheduled time and must be of a capacity suited to the class entered.)

CROSS COUNTRY FORMAT – as per GCRs

Cross Country format is run on a natural terrain marked track of an average of 15 – 20 minutes in length with competitors doing as many laps as time allows.

A chequered flag will be presented to the lead rider as close to the allocated time possible as measured by the Clerk of Course.

Duration of Cross Country events will be advised in Final Instructions and may vary as daylight hours and local bylaws may restrict time available.

REFUELLING: DRY BRAKE TYPE OF FUELING SYSTEM CAN BE USED.

Time schedules will be advised on the series website at: www.aorc.org.au

Starting procedures will be explained at riders' briefing.

Riders, service crews, and machines are not permitted on the starting line until authorised by the start official.

The start grid will have a maximum of 40. Starts will be only one row/grid at a time with a minimum of one minute between rows/grids starting.

To be considered a finisher a competitor must cross the finish line at or after the lead rider has received the chequered flag and must have completed at least 50% of the time/distance of the winning rider in their class or have continuity of racing as determined by the Clerk of Course.

The competitor's machine must not have left the marked course, including the refuelling area during the race.

One Rider – One Bike. A change of machine is not permitted after the race has started.

Designated refuelling area will be available and all refuelling and assisted mechanical work will be carried out in this area.

Riders must dismount and engines must be stopped for refuelling – penalty will be a time penalty up to exclusion from the event.

Mechanical assistance and fuelling is permitted only in areas designated by the promoter unless directed by the Clerk of Course – Penalty will be exclusion.

Parade Lap: refer to final instructions.

Juniors may be escorted on one sighting lap prior to their race.

Please Note: At any time the Clerk of Course may alter the format of the Cross Country Rounds to the Sprint Format should the conditions be deemed unsuitable for Cross Country.

In most circumstances competitors will be informed of changes prior to the event via the series website at: www.aorc.org.au

ENDURO FORMAT

The Enduro Format will be as per the MoMS unless notified in the Final Instructions.
