

## 2024 AORC National Rider Number Allocation

Version 1 – 20 November 2023

### 2024 AORC National Rider Number Allocation Process

The following document outlines the process to apply for a rider number in the 2024 Australian Off-Road Championship. In 2024 riders may register a one-digit two-digit or three-digit number.

- A rider must have competed in Six (6) rounds (i.e 3 x 2 round weekends) of the 2024 season to reserve their number in 2024.
- A rider may only register one number for 2024.
- If a rider does not compete in Six (6) rounds (i.e 3 x 2 round weekends) in 2024 their number may be forfeited.
- You may only run your State Number if you are racing in the State you hold your Senior or Junior National Licence, otherwise you must race with a National Number. Riders can register their State Number as their National Number if it is available.
- Should a rider intend to compete in a State Championship concurrently with the AORC, MA recommends they **first contact the State** to confirm availability of their desired State number, should they wish to run the same for both championships.
- **All rider numbers will be allocated with the letter A (Australia) at the end of the number to represent that it is a national number (must not be sublimated into number, must be standalone)**
- **The Letter A is only required to be ¼ the size of your race number on the front number plate**
- All number plates on all machines **MUST** comply with GCR 10.12.1.5 and **MUST** include the AORC plate graphic that can be found at [www.aorc.org.au](http://www.aorc.org.au)
- Plates must also not contain any decals or advertising other than the required decal.
